

Primaryrecovery.com Collateral Recovery Services

Bank listed collateral for recovery agents to view and recover.

Welcome to Primary recovery.com . The first financial recovery site that lets financial institutions post ads for collateral they need to recover. From Cars repossessions, to investigation services, and many other types of recoveries. Banks simply post and recovery agents contact the bank representative to obtain all the needed requirements so they can recover collateral on delinquent accounts. officially opened in August 2008.
